K. Matthan, Esq., B.A.,

Food Controller in Mysore,

B a n g a l o r e.

To

C. S. Balasundaram Iyer, Esq., B.A.,

Chief Secretary to the Govt. of Mysore,

B a n g a l o r e.

Sir,

I have the honour to state that the Deputy Commissioner of Hassan having repeatedly requested that facilities may be afforded to him for obtaining waggons on the Mysore-Arsikere Railway for supply of ragi to Mysore without the formality of priority certificates, I addressed the Agent of the Mysore Railways and the Traffic Manager. The Traffic Manager, in his letter No. T.356/18/II dated the 26th December 1918, intimated that arrangements could be made for the supply of waggons at stations between Mysore and Arsikere for the transp of ragi and other food grains from those stations to Mysore on requisitions by any of the officers to be specially named by me without the formality of priority certificates. I accordingly, in my letter No. 1629 of the 30th December 1918, requested that the requisitions of the Deputy Commissioners of Mysore and Hassan and of the President of the Mysore City Municipality, for supply of waggons may be complied with. The Traffic Manager has, however, now in his letter No. T.356/18-II dated 4th January 1919, stated that he is unable to comp

comply with my request, his reason being that under Government Order No. G.12810-16/P.P.134-18-147 dated the 28th December 1918 the necessity for priority certificates has been done away with only for taking paddy and rice to Mysore from stations up to Yedatore. The local officers find it difficult to make any accurate forecasts of their requirements of waggons for transport of food grains and have repeatedly asked that the necessity to apply for and obtain priority certificates may be dispensed with in the case of Government consignments. I have the honour, therefore, to request that orders may be issued dispensing with the necessity for priority certificates in the case of ~ ment consignments booked at any stations on the Mysore Railway either in the direction of Mysore or in the di of Arsikere. This relaxation of the rule may also app consignments of rice sent out from Mysore by the Mysore-Arsikere Railway even to stations beyond Arsikere such as to Shimoga, Holalkere and Davangere.

I have the honour to be,

Sir,

Your most obedient servant,

Food Controller in Mysore.

Proceedings of the Government
H.H. the Maharaja of Mysore.

2.
